Welcome New Administrator

Hello, my name is Alex Kummer and I am the Administrator at Baldwin Care Center, Inc. I am originally from Rock Falls, Wisconsin where I grew up on a dairy farm and also raised pigs for over 10 years. I then received my Bachelor's Degree in Health Care Administration

from the UW-Eau Claire in May of 2022. I have worked in the health care field since 2019 working in assisted livings, nursing homes, and most recently at Sacred Heart and St. Joseph's Hospital in Eau Claire and Chippewa Falls. I currently live in Chippewa Falls with my boyfriend as well as my dog River and cat Poppy. Outside of work, I enjoy reading, baking, fishing, kayaking, watching movies, and playing with my pets.

My responsibilities as the Administrator include directing and managing the overall operation of Baldwin Care Center, Inc., including the Baldwin Care Center, Birch Haven and the Birchwood Apartments. I am excited to take on this new role and work with the team here to provide quality care and services to all residents and their families.

News from Birchwood Apartments

In October, the tenants of Birchwood Apartments were able to visit the Leisen Family Pumpkin Patch for an autumn outing. It was a beautiful day to visit and they had a wonderful time.

Birchwood tenants have also been very busy making holiday craft items for the upcoming Craft Sale. The sale has been postponed until Saturday, December 3, 2022. It will be held from 8:30 – 11:30am. There will be fresh cinnamon rolls and coffee as well. Please visit and support your local senior citizens!

Tis the season for many colds, flu, and other viruses. Please refrain from visiting our campus if you are not feeling 100%. Also, reminder when you are visiting to wear your masks in the hallways. Thank you!
