## Welcome Baldwin Care Center's New Administrator!

Hello, my name is Andrew Burns and I would like to take this opportunity to introduce myself as the new administrator at Baldwin Care Center. I am a lifelong resident of the St. Croix Valley and I am excited to have the opportunity to continue to live and work in this beautiful part of western Wisconsin. My background includes degrees in Health Care Management and Business Administration from the

University of Minnesota Duluth. While in Duluth, my healthcare experiences included projects for Essentia Health and St. Luke's Hospital, as well as extensive administration experiences at two Duluth long-term care facilities.

Outside of work, I am an avid sports fan. I follow just about every sports league you know. I am a Packers fan in case you are wondering! I also enjoy biking, reading, studying history, watching classic movies, and spending time with family. I am honored to have the privilege of being the administrator here at Baldwin Care Center and I look forward to meeting all of the residents, staff, and guests of Baldwin Care Center.

## Birch Haven Assisted Living

Birch Haven Assisted Living welcomes our new Administrator, Andrew! He will be a wonderful addition to our facility and young ideas are always great!

Our facility just got done having a Luau and the residents loved it! We had a special lunch and a yummy dessert!!

We will be planning a picnic during Assisted Living Week in September where we will be inviting 2 members of each resident to partake! Unfortunately, COVID has only allowed us 2 family members per resident.

The front doors at BCC will now be unlocked from 8am-9pm seven days a week. Please remember to take your temperature, sign in next to the resident you are visiting and time. Please remain masked!

Thank you
